Dear Mac:

I know you must have decided I was not going to answer your letter, but things were so indefinite I did not know what to say. As you know the baseball out look was a little upset, and is still for that matter. However it does look a little better now. People will be working, and we should be able to do some business if we can keep enough men to make a good team.

Now the reason I am writing you at this minuet, is because Cum Posey was in town last week, and told me he had arranged with Mr Drew and you to have Phila. put a club in the league next year. Is this true? If so it puts a different picture on things. However if such a move is planned I would like to know it as soon as possible. Please answer me by return mail.

You know we were supposed to meet January 3rd, and for some unknown reason it was postponed to the 24th. Maybe this Phila. situation was the cause of it. Anyway let me hear from you right a way, and I will be able to take up your program at the meeting.

I do hope we dont lose too many men to the army, but I guess we will have to accept it in good spirit if we do. You know we are going to take back all the men who went away. We have already dickered with Dandridge. These men should help a lot.

I will be looking to hear from you right away.

Very Truly Yours
